

Madison Square Park Spring Daffodils

[Very Early Blooming Division]

1 Narcissus 'Golden Echo'

Division: 7-Jonquilla

Height: 18"

Description: Graceful, white petals and elongated golden cups. The gold seeps into the petals to give a halo effect. Flowers are petite but exceptionally long lasting and very fragrant.

Registered by: Brent C. Heath, 2003, United States

2 Narcissus 'Rijnveld's Early Sensation'

Division: 1-Trumpet

Height: 12"

Description: The earliest blooming Daffodil in the park. The petals are a soft yellow, the trumpets are gold.

Registered by: F. Herbert Chapman, 1956, England

3 Narcissus 'February Gold'

Division:

6-Cyclamineus

Height: <12"

Description: One of the earliest and longest lasting of all daffodils. The flowers are bright yellow throughout with recurved petals and prominent slender cups.

Registered by: De Graaff Brothers, pre 1923, The Netherlands
